Lead to Win

- How does one win?
- What is winning?
- What does winning mean?
- What value does winning have and why?

Lead to Win

- When all the principles for success have been followed and implemented in life, then one wins.
- Winning means that your personal internal and external objectives are aligned and there is no conflict or dichotomy.
- Winning means that you have achieved your personal goals and targets are at peace with yourself and the world.

Lead to Win

- Ability to perform under pressure
- Do you rise up to the challenge
- Do you run away from the challenge and refuse to accept it and make excuses through the blame game indulgence in self-pity
- Life is a blur for many people who coast through life without really knowing their purpose or having a mission.

Lead to Win

- Feel strong, healthy, good about yourself
- Put positive things in your mind
